

Save 15% with Community Solar

For people that live in condos, renters, or homeowners who can't have solar on their roof.

Orleans Energy Navigators will present information on how to save 15% on your annual electricity costs with Community Solar.

Snow Library Craine Room

August 1st, 2026

2:00-3:00 PM

**Presentation by John Londa, Orleans Energy & Climate
Action Committee**
